

SIDEWALK TRIPPING ELIMINATION PROGRAM

“STEP”

The Village continues to make improvements in infrastructure and is offering a 50/50 matching grant to pay for up to three sidewalk panels.

Residents are encouraged to participate in this program to eliminate sidewalk tripping hazards.

Building permit fees are waived for participants in this program.

Applications to participate in the grant program are available at Village Hall.

Once the application is made a Village inspector will visit the proposed location and determine eligibility.

The Village will supply the contractor and ensure that all work meets Farmingdale Village code.

Payment shall be made in advance of the work being performed.

The program is on a first-come, first-serve basis.
